## **QUEENS CIVIC CONGRESS TO INSTALL OFFICERS AT SUN. DEC. 9 LEGISLATIVE RECEPTION**

The Annual Legislative Reception of the Queens Civic Congress features a changing of guard with expected attendees including Borough President-elect Helen Marshall and Borough President Claire Shulman, among the many elected legislators and newly elected council members, announced President Sean M. Walsh. The coalition of over one hundred civic, community, cooperative and tenant groups in the Borough of Queens holds the annual event, this Sunday, December 9, 2001, 1:00 to 3:00 p.m., at the Douglaston Club, West Drive at Manor Road in Douglas Manor.

The opportunity for pols and civic leaders to informally chat, make friends and talk issues takes on a new twist with the program this year including the installation of the Queens Civic Congress's officers elected earlier this fall. In addition to President Walsh (Douglaston Civic Association), the 2001-2002 QCC officers included: Executive Vice Presidents Corey Bearak (North Bellerose) and Patricia Dolan (Kew Gardens Hills); Treasurer James Trent (Creedmoor); Secretary: Seymour Schwartz (Briarwood); and Vice Presidents Tina Chan (Kew Forest), Kenneth Cohen (Flushing-Suburban), Richard Hellenbrecht (Bellerose-Commonwealth), Margo Hill (Southeast Queens Concerned Neighbors); Cathryn Keeshan (United Forties), David Kulick (Flushing on the Hill), Nagassar Ram (Queens Village), and Edwin Westley (Jackson Heights).
