Dear Friends:

The largest greening, educational and networking event in Queens is being held on  
Saturday, March 28, 2009  
Registration begins at 10:30 a.m.

Join us for a half day of workshops and exhibits at the Al Oerter Recreational Center at 131-40 Fowler Avenue in Flushing. The recreation center is right off College Point Blvd and about one block away from the Home Depot.

Join us for our Green Note Speaker, Susan LaCerte from the Queens Botanical Gardens and over 50 groups including Urban Park Rangers, Citizens Committee for NYC, New York League of Conservation Voters, New Yorkers for Parks, LIC Boathouse, GreenShores NYC, Flushing Meadows Corona Park Conservancy, Friends of Gantry Parks, Queens Civic Congress, Recycle Queens, NYC Department of Environmental Conservation, Trees NY, Alley Pond Environmental Center, and over 40 other groups as we exchange ideas and network in a beautiful venue packed with displays, exhibits and lots of fun.

We only ask that you pre-register at either (718) 343-6779 or at [Herr281761@aol.com](mailto:Herr281761@aol.com) so we can have enough resources on hand for everyone. We are also requesting that you wear sneakers or other footwear that does not leave scuff marks and we are using this brand new facility and we want to leave it better than we found it.

So make your plans and join us for a most exciting day. No need for money as everything is free and all you need to bring are your ideas, thoughts and an open mind.

We will be collecting used cell phones for our 911 only cell phone recycling program, old eyeglasses and used ink and toner cartridges. Please bring them to help reduce your carbon footprint on the environment. This is an event not to be missed!

Sincerely,

Frederick Kress  
President
